NAME: Marcus "MJ" Johnson

35 yrs | Male | Straight | White ★ 4.95 - 3 Reviews

Hey there, I'm MJ! I'm a laid-back, open-minded guy looking to build a real connection beyond these walls. I'm passionate about music—hip-hop, R&B, and old school classics—and I love writing poetry, reading, and staying fit. I'm currently taking business classes and focused on personal growth every day. Some of my favorite ways to pass time are drawing, sketching, meditating, and catching up on sports (big basketball fan!). I believe in second chances and making the most out of life, no matter where you are.

I'm hoping to meet someone positive, real, and open to a genuine friendship. Whether you want to share stories, talk about life, or just need someone to listen, I'm here. Let's get to know each other one letter at a time and see where it takes us.
